

Oakridge Community Primary School – governor vacancy

We are looking for three new governors from Hinderwell and surrounding areas to join our governing board.

As governors, we all have different backgrounds and experiences but we all want the very best for the children in our school.

Please get in touch if you:

- Are interested in children's education and the performance of our school
- Want to be part of the community and give something back
- Have time to attend a meeting each term and school visits
- Have the confidence to challenge and ask questions
- Can make informed and objective decisions

It is a voluntary role appointed by the governing body.

The role can be challenging but it is also very rewarding and a great way to learn new skills through peer support and training.

Please write to us outlining why you want to be a governor and what skills you would bring.
