June 4th 2020

Dear Parents/Carers,

I wanted to take this opportunity to say a big thank you for all your hard work during these difficult times. At school we really do appreciate your cooperation, support and expertise with distance learning whilst trying to live as normal a life as possible. On Monday we were happy to welcome back Nursery, Reception, Year 1 and year 6 children to a slightly different looking school, as we have put the government guidance into place. In this new phase we know that moving from a safe environment at home back to school will be a challenge for all of us and we would like to encourage you to think about how school can support you with this. Please do continue to tell us if your child isn't coming into school as you would do if they were ill.

Mrs Hilary Thompson

Nursery

As we begin the final half term of the summer term, I thought you might like to know what the children will be learning about for the next few weeks. We continue with our topic about the Olympics and will begin by finding out a little about the country and culture of Japan, host nation for the 2020 Olympics (now postponed until 2021). We will be exploring different sports that take place at the Olympics and finding out more about some of the famous Olympians from the past. In maths, we will be focussing on sharing, finding half, measuring length, weight and capacity. This will be done through structured play activities and will continue to be sent out on the distance learning planning for those children not in school.

I would like to say a huge thank you to the parents of Nursery and Reception children for all

the work you have put in to learning experiences with your children. It has been wonderful to see photos of the different activities you have been doing. I have missed the children so much - school is just not the same without them. Many thanks for your dedication and support.

Miss Juliet Kaye

Seahorses

Welcome back to the last half term of the year. Our topic is still the Olympics and we are going to find out all about the ancient and modern Olympics.

You will all have received your home school packs for this term. If you are sending your child to school, please sort the correct weekly pack in with them. Keep up the good work parents and children, you are all doing amazingly well, and I look forward to hearing from you or seeing you during this half term.

Mrs Naomi Bannister

Dolphins

Welcome back to our final half term of the school year. Our topic is still Olympics/Ancient Greece. We are continuing to work through google classroom and it is great to see the children through our meets.

I would like to say a big thank you to all of you children and parents for all your hard work over the last 8 weeks.

You really are doing a fantastic job.

Mrs Laura Little
