### Seahorses EYFS

The EYFS children were delighted to see that our caterpillars had turned into butterflies over half term. We had a good look at them before releasing them to fly off. We are looking out to see if any of them flutter past us! We have made special cards for Father's Day and thought about why our families are so special. The children have found out all sorts of facts about seals as we are reading Seal Surfer at the moment.

### Seahorses Class KS

In maths this week we have been learning about position, directions and turns and how to describe these and give directions using mathematical language, we then used this knowledge to create the directions for our walk. We are going to follow these directions on Monday afternoon when we go for our walk around Hinderwell, hopefully we won't get lost!! The children added photo stops for along the journey so look out for these on our facebook page next week.

### Dolphin Class

Dolphin Class have been working hard on writing and performing their playscripts. They are now going to be working on poetry.

In maths we have been looking at angles and shape. We have been exploring maps of the village and locating different places on these maps as part of our topic work and planning a route for our local area walk, which we will be following next week.
