EYFS

The Reception children enjoyed their trip to Danby Moors Centre to find out about how a simple compass works and how to follow directions. They have been very interested in maps since the visit and they have drawn their own maps of places that are special to them. This week we took part in the Big Toddle for Barnardo's. The children loved this mini adventure, especially ending up at the park. Please could you return any sponsor money raised to school as soon as possible? Many thanks to all the parents and grandparents who toddled along with us!

Juliet Kaye EYFS Teacher

Seahorse Class

This week the children have been very busy finding out about who Mary Anning was, why she was famous and dinosaur fossils. We also joined the EYFS on their Big Toddle raising funds for Barnardo's, they all had a fantastic walk that took them from school along the back lane all the way to the play park and back again.

Dolphin Class

Dolphin class have had another busy two weeks. They were brilliant on the trip to Danby yesterday and really enjoyed building stone age shelters and using flint to try and light a fire. They have continued to work hard in maths with year 5 and 6 working to create their own bakery and preparing to bake buns to sell to everyone. We will let you know more about this in the next few weeks.

Mrs Laura Little Key Stage 2 Teacher

Dolphin Class

Once again, I was very impressed with the children who were at the quad kids event a couple of weeks ago. This week year 5 and 6 have made a start on their sculptures and years 3 and 4 have started their surrealist clay animals.
